REGISTERED ROOFING CONTRACTORS

1/30/2012

Roofing contractors named on this list have provided an application, presented photo identification and submitted to the city proof of comprehensive general liability insurance in the form of a certificate or policy with minimum limits of $500,000 for death or bodily injury and $500,000 for property damage, per occurrence. The insurance must cover roofing operations. The registered contractor is responsible for maintaining current proof of coverage with the Building Inspections Office. **Disclaimer: The City of Houston does not endorse or certify the named persons on this list.**
